SECRETARY'S SCRIPT

My name is _____ and I'm an addict. I'm also your secretary for this meeting.

In keeping with our 7th Tradition, we are self-supporting through our own contributions. We pass the pouch to cover expenses, but remember that we need you more than your money. The suggested donation is two dollars. Please give what you can.

(Pass CMA Promises pouch)

Is there anyone attending this meeting for the first time who'd like to introduce themselves to the group?

(Introductions)

This meeting stocks CMA meeting lists. See me or the chair after the meeting if you would like a copy.

Please note that Manhattan Plaza Health Club does not permit animals on its premises at any time.

Are there any CMA-related announcements?

(Accept announcements from the floor)

As we open the meeting to sharing, we ask that you be mindful of the number of people in the room who may also like or need to share. Thank

you. We now go to a show of hands until 5:55 PM, when we will ask for any burning desires, and then conclude the meeting at 6:00 PM.
